Windsurfing Equipment Insurance / Damage Recovery

The insurance is optional, and it covers every damage which happens, unintentionally on the water. Insurance does not cover damage caused by rough handling, abnormal wear and tear, disrespect or negligence to the equipment or damage caused by surfing too close to the beach/rocks/other obstacles or third persons. Insurance does not cover damage which happens out of the water. Insurance also does not cover the loss of board or sail and damage to the fin. A customer without our insurance is obliged to pay for all damage to windsurfing equipment according to our damage price list. Normal wear and tear is excluded.

Station change

You can always change between the stations in Devils Bay and Chicken Bay. You will have a fixed board in one station, and you can use the board pool in the other. We can transfer your fixed board to another station for the next day.

Pick days

The possibility to pick a certain number of days out of a longer term (for example 7 out of 10). Only available in low season: 01.05.2020 – 15.06.2020. With this offer, there is no fixed board.
